

SimpliBuy: Corporate Gifting -- Simplified

Corporate giveaways or gifts for associates and/or customers celebrate key events, enhance your brand, and recognize valuable relationships. At the same time, the logistical process of finding, ordering, and delivering promotional products can be a daunting distraction from the day-to-day business.

NewClients **SimpliBuy/SimpliGift** is a web-based application that allows clients to quickly and easily select from an array of promotional items and have it delivered to the location of your choice. Capture sizing, color or other key element with absolute certainty. With **SimpliBuy/SimpliGift** you can quickly be ready to create a more memorable corporate meeting, event, or celebrate success. The **SimpliBuy/SimpliGift** application is fully branded and customized to reflect your company's look and feel. And, the messaging can be customized to your target audience. Your NewClients Account Executive can show you a demo site and even preview some of the best sellers.

Simplify corporate promotions with **SimpliBuy/SimpliGift**. It's an easy three-step process:

1 SELECT YOUR GIFTS

Our Account Executives see 1000's of products and can quickly show you the latest trends in apparel and gifts and make the selection process quick and easy. From apparel to giftware to technology products—the NewClients' **SimpliBuy/SimpliGift** consultants have the expertise to make you stand out from the crowd.

2 SHARE THE LINK

Using a list you provide, the website link is delivered to each recipient. **SimpliBuy/SimpliGift** is clear and easy to navigate. Users will make their gift choice and receive confirmation. We provide a comprehensive activity summary back to you so that nothing gets missed.

3 SMILE

SimpliBuy/SimpliGift provides you a complete summary of all orders for final approval. The gift/promotional order is processed, and we take care of all fulfillment and delivery.

If you have questions contact your Account Executive or send an email to sales@newclients.com.
